## EDUCATION

COURSE	INSTITUTION	BOARD	MARKS(%)
B-tech ( Information technology)	Mahatma Gandhi institute of technology	JNTUH	62
Intermediate	Sri Chaitanya junior college	Board of intermediate	92
SSC	Kilpatrick mission high school	State board	70

## PROJECTS

- **Maximization of profit for cloud brokers**

To maximize the profit of cloud brokers, we provide a comprehensive analysis on the profit affecting factors and formulate an profit maximization problem. By solving the optimization problem, the optimal VM price and system scale can be obtained such that the profit is maximized.

- **Student alumni portal management systems**

This system can be used as an application for the Repository and Search Engine for Alumni to manage the college information and students information.
